

Davison Community Schools
Career & Technical Education Opportunities
 2014-2015

Each year, the Davison School District offers career and technical education programs at Davison High School. These programs are designed to prepare students so they will have the necessary academic, technical, and work behavior skills to enter, complete, and advance in post-secondary options and employment. Programs are offered under the guidance of certified teachers, counselors, and cooperative education coordinators. The following is a list of programs being offered this year and criteria for admission.

Program	Criteria for Admission/Program Information
Information Technology	9 th -12 th grades For students interested in careers related to computer technology, including computer repair, networking, computer programming and web design.
