CAREER PLANNING – 11th GRADE

Career Matchmaker

STEP 1

- **If you are new to our district and have never used Career Cruising, follow steps below:**
 - Click the [My Assessments](#) button on the left of the screen.
 - Read the instructions for Career Matchmaker.
 - Enter Matchmaker Label; Click [Start Now](#)
 - Select type of education. Click [Next](#).
 - Answer the first 39 questions. (Consider each question carefully. The more thought you put into your answers, the better your results will be. If a question seems unclear to you, review the [More Info](#) next to the question.) Career Matchmaker will suggest careers that match your answers.
 - Click [Answer more questions](#) and complete all additional questions.
 - **Repeat this step until all 116 questions have been answered.**

- **If you have completed Career Matchmaker before and saved your results to your EDP:**
 - Review those results by clicking on [Assessments](#) at the top of the screen.
 - Click [Best Match](#) results on the left side of the screen.
 - Click on [Review my answers](#) on left side of screen. (You may have to scroll down).
 - Change any answers by using the drop down menu on the right side of the screen.
 - Click [Save and Update Career Suggestions](#).

- **If you are a transfer student and transferred from a Genesee County School and your log in is not working, please see Mrs. Tomczak in the career center to have your EDP transferred from your school.**

STEP 9

PAST Career Planning Activity

(What you have already done to prepare for your future career):

Template: In (month/year), I (worked part time, attended a career fair, went to work with my parent, etc.). This activity involved (fully describe what you did, learned, etc.). Through this experience, I learned (tell what you learned – example: about the necessity of time management, about the different types of nursing careers, that I don't like sitting at a desk all day, etc.).

Example: In the summer of 2009, I worked for my neighbor as a babysitter. I watched her three children, ages 9, 7, and 4. This involved taking care of them, feeding them, and playing with them each day. Through this experience I learned that I really like children. I may be interested in a career that involves working with kids someday.

- o Click **Save**.

 - Short Term** (something you want to do within a year):
 - o **Template:** By (month/year), I will (state a specific goal). I will accomplish this goal by (tell what action you will take to reach your goal).
 - o **Example:** By January, 2010, I will get a B+ or higher in my English class. I will accomplish this goal by turning in all of my homework, studying for tests, and getting extra help after school.

STEP 11

Long Term Goals

- o **Long Term Goal** (must have a career focus):
 - o **Template:** After graduation from high school in (year of graduation), I plan to pursue a career in the (pathway name) pathway. I will (attend college/start an apprenticeship/get on-the-job training/etc.) to prepare for my career. After completion of my education and training, I would like to begin my career as a(n) (state your career goal).
 - o **Example:** After graduation from high school in 2012, I plan to pursue a career in the health sciences pathway. I will attend Mott Community College to prepare for my career. After completion of my education and training, I would like to begin my career as a registered nurse.
- o **Reminder:** One of your long term goals must be career focused.
- o Click [Save](#).

STEP 12

Extra-Curricular Activities & Abilities

- Click on the [My Activities and Experiences](#) button located on the left side of the screen.
- Click on [Extra-Curricular Activities](#).
- Click on [Add an Activity](#). (examples on following page)

STEP 13

- From the drop down menu in the center of your screen, make sure you have selected at least one category in which you participate. In the second drop down box, choose an activity. You can also select, "Enter Your Own" located on the right side of the screen.

Reminder: For every activity you choose, **fully describe the activity and include your reflection and dates.**

EXAMPLE:

Template: In (month/year) I became involved in (tell about an activity you currently do). This activity involves (describe your role or the specifics). Participating in this activity has taught me (tell what you have learned. For example: patience, coordination, teamwork, etc.).

Example: In June 2007, I became involved in football. This activity involves a lot of discipline and hard work. I am playing for the Davison team as defensive end. Participating in this activity has taught me several skills such as teamwork and persistence.

Example: In the summer of 2008, I started playing the acoustic guitar. This involves reading music and a lot of self-discipline. I enjoy this because I am creative, and I like music. Playing the guitar has taught me more about sound and the importance of being creative.

Example: I joined the Davison dance team in my freshman year (2006). This has been a really good experience because I have made many friends. This involves participating at the football and basketball games and pep assemblies. I enjoy dance a lot. It has taught me coordination and creativity.
